

Dahulu kala sebelum ada email dan ponsel, surat ditulis di atas kertas, lalu dikirim menggunakan kuda dan gerobak, seperti di lukisan Raden Saleh *Javanese Mail Station*. Buatlah gambar dan tulislah surat ke seorang teman di kartu pos di bawah. Potong kartunya dan mintalah ibu atau ayah untuk mengirimkannya menggunakan pos.

A long time ago before email and mobile phones existed, messages were written on paper. Some were sent by horses and carts, just like in Raden Saleh's painting *Javanese Mail Station*. Write a message to a friend on the postcard provided. Cut it out and get Mom or Dad to pop it in the post.
